submitted. A draft notification exempting Dramas and cinemas from payment of entertainment tax, is put up, as directed

2) but this does not apply to the civil area, Bangalore to which place this Act has yet to be extended, this question being dealt with separately before the Act is extended to that area, it has to be considered. When the Govt can exempt dramas and cinemas from payment of this ~~Act~~ tax, under the existing rules governing the payment of entertainment tax in the area at present

3) In this connection it is also submitted that if this proposed notification is issued, it affects the finances of the Local Bodies in whose areas the Act is in force, ~~also~~ as 87½% the realisation from this tax is being credited to their funds and 12½% is recovered by the Govt towards supervision charges etc. There is another proposal to hand over the work pertaining to the ~~collection~~ collection under this Act to the Local Bodies. The draft notification proposed is for consideration, in the light of the above facts

Dated 17 June 1951

The Honourable Minister for
Revenue, Government of Mysore
Bangalore

Respected Sir,

We like to bring to your kind notice that our benign Government have been pleased to waive the entertainment tax for Dramas and Circus and this kind of generous order passed by our popular Government has not only helped the public but also it is a great advantage to the owners of the Dramas and Circus

In this connection we like to inform you that wrestling is alone one included in the above recreations Especially wrestling has to be encouraged as far as possible, because it helps a man and also induces him to keep up his body in a fit condition and several of the people are conducting Vyayamasalas etc for the benefit of the public

The encouragement to the wrestling matches has been deteriorating on account of the fact that entertainment tax has been levied As such we shall be much obliged if you kindly see that the entertainment tax to this item (wrestling matches) is also waived as it comes under the heads of Drama and Circus Hope that our Benign Popular Government will consider this deeply in the interest of the public

Yours faithfully

Hon Secretary
